Honoring Wounded Warriors Disabled in the Wars in Iraq and Afghanistan

This event celebrates the accomplishments of Disabled Sports USA Far West, our participants, volunteers and honored guests. The Ability BASH on Saturday evening, March 20th, is the culmination of a five-day event highlighting the abilities of people with disabilities and the powerful positive health and confidence building effects of our programs.

The week starts with an Ability Camp for 25 soldiers and marines disabled in Iraq and Afghanistan. They will receive specialized instruction in adapted snow skiing and snowboarding at the Disabled Sports Program Center at Alpine Meadows Resort. They will also participate in other winter recreation designed as part of their therapy and re-integration into the community.

On Friday, March 19th, the Phil Bocks Memorial Ability Challenge ski race will team donors and sponsors with disabled skiers for a fun day of ski racing and on-hill activities. An après ski party and awards presentation is scheduled at the end of the day.

Phil Bocks was a local hero who died while in the Marine Corps in Afghanistan. The memorial is our way of recognizing the ultimate sacrifice made by Phil and all “fallen warriors.”

The Ability BASH on Saturday evening, March 20th, has been one of North Tahoe’s premier fundraising events for 16 years. This banquet, dance and silent auction features a live band and is a wonderful uplifting evening for all in attendance.

Please join us in celebrating the abilities of our honored guests. For more information, please visit our website at www.disabledsports.net.
