

# We believe... In abilities. Not disabilities.

Each year, thousands of people come face-to-face with daunting disabilities. We believe their life is far from over, but we need your help. We are a nonprofit organization dedicated to bringing an exciting new life to those with disabilities. Through sports programs, renewed confidence, and friendship, many who have lost hope... regain their lives in a powerful way. To help call (916) 722-6447 or visit [www.dsusafw.org](http://www.dsusafw.org)
